

# Spinal Care Class - Questionnaire

Video can be viewed on our website at:

<http://myclevelandchiropractor.com/online-forms.html>

*Please answer the following:*

1. What are 3 things people come in to get treated for with Chiropractic care?

---

---

---

2. What do cells use to communicate with each other?

---

3. What is subluxation?

---

4. Why should you get maintenance adjustments once you are out of pain?

---

---

5. When is the best time to get treated with Chiropractic care?

---

---

Please use the following space to write down any questions you may have for Dr. Cambouris or Dr. Orr. Thank you!
